Jie CHEN

Email: chenjie.geo@outlook.com / chenjie@ipgp.fr
Homepage: https://chenjie.netlify.app/
Nationality: Chinese

Professional experience

2022.08-now	Postdoc Researcher, Institut de Physique du Globe de Paris (IPGP), Université Paris Cité Topic: Numerical thermal modelling of the global mid-ocean ridge Supervisor: Mathilde Cannat and Jean-Arthur Olive
2022.01-2022.07	Research Assistant, Second Institute of Oceanography, MNR Topic: Microseismicity at the Gakkel Ridge (JASMInE cruise) Supervisor: Tao Zhang and Jiabiao Li

Education

2018.09-2021.12	Ph.D., Marine geophysics, IPGP, Université Paris Cité Thesis title: The impact of melt supply on fault distribution, volcanism, and the thermal regime at slow spreading ridges. Supervisor: Mathilde Cannat. Co-supervisors: Wayne C. Crawford and Jean-Arthur Olive
2015.07-2018.08	M. E., Marine geophysics, Second Institute of Oceanography, MNR Thesis title: Segmentation and melt supply along the ultraslow spreading Southwest Indian Ridge 46-53°E. Supervisor: Chunhui Tao. Co-supervisors: Tao Zhang and Huaiming Li
2011.08-2015.06	B. E., College of Marine Geosciences, Ocean University of China

Research Interests

- Mid-Ocean Ridges
- Slow and ultraslow spreading ridges
- Magmatic and tectonic processes
- High-resolution bathymetry
- Oceanic detachment faults
- Ridge segmentation
- Hydrothermal system
- Submarine volcanism
- Seismicity
- Numerical modelling
- Geological mapping
- Geographic Information System

Invited Presentations

2022.06 Second Institute of Oceanography, MNR

2021.09 Southern University of Science and Technology

2021.06 Institut de Physique du Globe de Paris, Université Paris Cité

Sea-going Experience

Pourquoi Pas? Momarsat19 at Mid-Atlantic Ridge, June 10-July 4, 2019

XueLong icebreaker, Trial in the Pacific Ocean, July 7-14, 2017

Funding

2018.09-2021.10 China Scholarship Council (CSC)

Supervising and mentoring

Daoxin Su Master student (2022.01-2022.06, Second Institute of Oceanography)

Kaixuan Yan Master student (2022.01-2022.06, Second Institute of Oceanography)

Relevant Skills & Others

Computer Skills: GMT, Global Mapper, MATLAB, ArcGIS, Bash shell, Python, SEISAN, Cloud computation

Language: Chinese (native), English (fluent), French (beginner)

Hobby: Chinese Kungfu – Meihuazhuang
